TRUTHFUL ADVERTISING IS BRING-INGUSSUCCESS. CHARACTERALONE STANDS THE SEVERE TESTS OUR HAS SUCCESSFULLY WITHSTOOD

Confidence results only from proof of character. Fame, popularity, riches, all become valueless when a dear one is suffering tortures or is sick unto death. It is then, when your affection for them prompts you to seek to assuage pain, or save life, that the CHARACTER of the remedy is invaluable. It is this elementcharacter-that (in many thousands of cases, where life itself has been saved after medicines failed and the doctors have said there was no hope, and in chronic suffering which has extended sometimes over years of time, but have yielded to its powers) has given value to

the Perfected Oxygenor King. Its character stands today, as unimpeachable as ever. It does not succeed in every case, but the cases are rare when it is necessary for a patient to die of pneumonia, fevers, lagrippe, pleurisy, diphtheria, croup, or other acute diease, no matter what it may be, if the increase of nature's remedy is promptly administered. In some cases where the disease has been of some days duration, if very exhaustive to the patient, we fall to gave life, but we can assure you that at any time in the course of the disease, it is only wisdom to try it. If used with the beginning of the disease, there need be no question as to the success of it. We do not fear to have its character investigated—we are in it for humanity, and if we can help you, tell us how. Nearly all cases of chronic troubles, such as asthma, neuralgia, rheumatism, paralysis, epilepsy, and kidney. Ever, heart, lung, stomach, bowel, hiadder, nerve, blood, and skin diseases can be cured by this treatment. Constipation—the primary cause of nearly all life, cured to stay cured. No medicines are used All medicines are poisons, and there is a decrease of vitality with every dose given. There is a point, where the vitality becomes so low, that a dose of medicine will sever the thread of life. The friends do not know it; it is called providence. Oxygen is the only remedy we use, and it builds up the vitality from the start, giving the atlent more strength to resist disease. Oxygen is THE ONLY agent that can make one new red blood corpuscie—build one tissue, or kill the germs and bacteria competely. Don't be deceived in this Study it. Get the best authority you can, and read it up. The Oxygen is free in the air and water. Nature has furnished it in abundance, but the lungs do not always furnish enough to burn up the impurities and carbon of the body-the carbon ferments, causing humans and soil for the growth of germs. The Oxygenor King forces floods of Oxygen through the pores, where it enters the venous as well as the arterial circulation, burning up the carbon excess, and this burning is life. The more intensely you burn, the greater your existence. The number of deaths from fevers, pneumonia, etc., makes us shudder, when we know the power of the Oxygener King, yet we are powerless to compel you to use it. There is one safe way-got an Oxygener King, have it eady for use, and at the first symptom of disease apply it, and it will do the rost. Can be used by anyone who can read, and cannot harm you. It will give greater security to its owner, and do more for him than any remedy known-Oxygen does it every day of your life. It keeps you alive, and is daily minister-ing to your comfort. It will do it in sickness. We can prove our statements to you by peope you know personally or by reputation. Swedish, German, he English literature for the asking. Don't class this among the merry fakes, but investigate it. We want honest agents in Kansas and Oklahoma. We are agents and distributors for the southwest.
